Then we visit the bustling African/Indian Markets at Warwick Triangle – home to 9 distinct markets developed around Durban’s largest public transport interchange and where approximately 6000 street vendors ply their trade, to an average of 460 000 daily commuters – an authentic experience. From culture to nature, we visit the peaceful Durban Botanic Gardens founded in 1849, a treasure trove of massive trees from Asia, Africa and America, and a magnificent orchid house.
